

Information evening to inform ST3s about being a middle grade in South London DGHs

Paeds ST3s in South London are invited to come along for an informal meeting – to chat to current ST4/5s working in South London DGH trusts. Find out, what goes on and how to get the most out of the posts.

A great opportunity for you to get first-hand, insider knowledge - what your colleagues wish they had been told before they became Registrars and to help inform your preference/choice of trust/rotation.

Issues that may come up:

Rotas: Who runs it & what's it like to work it? Annual leave arrangements? Study leave accessibility?

Training: Local research & training opportunities e.g. Specialty interest clinics/services

Culture: Local variation/strengths, Accessibility and quality of senior support

Unit: Information about the local units and their sub-speciality patient populations.

Travel: Site accessibility (and cost! e.g. parking), off-road parking, bike sheds, showers, food, lockers, etc.
