Acute Paediatric Trauma (APT) Course

09th February 2017 and 11th May 2017

09.00 - 17.00

The one day course is aimed at those involved in the immediate care of the Paediatric trauma patient presenting to the Trauma Unit.

Using scenario based training, doctors and nurses of all levels will work together as a team to learn new and refine existing skills for looking after the Paediatric trauma patient.

The course is fully funded and has limited places.

Book early by contacting the UCH Simulation and Clinical Skills Centre via the contact emails below
